SUMMARY

Marketing analyst with 5 years of campaign and funnel analytics. Fascinated by generative AI after completing an intensive bootcamp; eager to transition into an AI role where I can combine analytical skills with new technology. Notice period: 30 days.

SKILLS

Analytics: Google Analytics, Looker Studio, Excel (advanced), SQL (intermediate), HubSpot

AI (new): Python (beginner), OpenAI API (bootcamp projects), prompt writing, ChatGPT power user

EXPERIENCE

Marketing Analyst — SocialPulse Media, Bengaluru

Sep 2021 – present

- Analyze multi-channel campaign performance for 30+ D2C advertisers; monthly reporting suite in Looker Studio.
- Built attribution dashboards that reallocated 15% of spend toward better-performing channels.
- Used ChatGPT to speed up campaign copy drafts and reporting summaries.

Junior Marketing Analyst — AdVantage Media Agency, Bengaluru

Jul 2020 – Aug 2021

- Campaign reporting and A/B test tracking for agency clients.

EDUCATION

MBA (Marketing) — Christ University, Bengaluru, 2018 – 2020

GenAI Engineering Bootcamp (6 weeks) — NeoLearn Academy, Bengaluru, May – Jun 2026

BBA — Jyoti Nivas College, Bengaluru, 2015 – 2018
