SUMMARY

HR Business Partner with 9 years in HR, the last five partnering a 400-person engineering organisation through growth, one restructuring and sustained attrition pressure. Evidence-driven: I bring attrition and mobility data to the table before opinions. POSH ICC member for three years; Darwinbox and Workday power user. Notice period: 60 days.

SKILLS

HRBP: Org design & role architecture, strategic workforce planning, complex ER casework, performance & talent cycles, compensation benchmarking (Radford/Aon data)

India practice: Karnataka Shops & Establishments Act in practice, POSH Act compliance (ICC member), PF/gratuity/ESI administration oversight, contract-workforce compliance, disciplinary inquiry management

Tools: Darwinbox, Workday (reporting + core HCM), Excel, Power BI (HR analytics)

EXPERIENCE

HR Business Partner — Engineering — Quotient Labs (SaaS), Bengaluru May 2021 – present

- Partner two engineering directors (400 employees) on org design, succession and workforce planning.
- Led the people track of a restructuring affecting 60 roles: consultation, severance frameworks, redeployment of 22 engineers, zero litigation.
- Cut regretted attrition from 22% to 13% in two years using stay-interview and pay-equity analysis programs.
- Serve on the POSH Internal Committee; closed all cases within statutory timelines with documented inquiries.
- Coach 14 engineering managers, half of them first-time leads; built the internal "new manager" curriculum.

HR Advisor — Quotient Labs (SaaS), Bengaluru Mar 2019 – Apr 2021

- First-line HR advice for 250 employees; managed long-term illness and performance cases end-to-end.

HR Officer — Chola Logistics, Chennai Jun 2017 – Feb 2019

- HR operations and statutory compliance for a 900-employee logistics company.

EDUCATION

MA Human Resource Management — Tata Institute of Social Sciences (TISS), Mumbai, 2015 – 2017

BBA — St. Teresa's College, Kochi, 2012 – 2015
