

Ishita Banerjee

UX/UI Designer

Bengaluru, Karnataka (HSR Layout) | +91 90070 36152 | ishita.banerjee.ux@gmail.com | [linkedin.com/in/ishitabanerjee-ux](https://www.linkedin.com/in/ishitabanerjee-ux)

Profile

UX/UI designer with 2 years of experience designing mobile-first interfaces. Fascinated by the product side of the work — I keep asking 'why are we building this?' and would love to grow into product management. Notice period: 30 days.

Skills

Design: Figma, prototyping, design systems, usability testing, accessibility, user flows, handoff documentation

Extras: Basic SQL (self-taught), Notion, Maze (unmoderated testing)

Experience

UX/UI Designer — Studio Katha, Bengaluru

Sep 2024 – present

- Design mobile interfaces for healthcare and fintech clients; ran 20+ usability sessions.
- Built a reusable design system that cut design-to-dev handoff time by a third.
- Redesigned a pharmacy app's refill flow; task completion from 71% to 93% in testing.

UX Design Intern — Studio Katha, Bengaluru

Feb 2024 – Aug 2024

- Wireframes, user flows and testing support for client projects.

Education

B.Des Communication Design — MIT Institute of Design, Pune, 2020 – 2024
